Save the Date!!!

Join us as we make the dream of a high quality, faith-based living facility for adults with functional disabilities a reality in Lubbock.

March 8th, 2008

9:00 a.m. – 12:00 p.m.

Science Spectrum, 2579 S. Loop 289, Lubbock

If you are a community or business leader, parent, educator, administrator, or service provider and are interested in improving the independent living opportunities for adults with special needs, please plan to attend this important meeting.

There will be a brief overview of our work to this point, a video presentation of a similar community in the Houston area, and then Brad Thompson from The HALI Project will discuss how this endeavor will benefit the Lubbock community.

The HALI Project is a project of
The Texas Council for Developmental Disabilities

This meeting is sponsored by The HALI Project, Uniting Parents,
BUDS - Better Understanding of Down Syndrome, and Friends of God Church

*Please RSVP to Tonya Hettler, cell- 806-239-2839, email-
thettler@earthlink.net* by 3/1/08 in order for us to accurately plan for materials
